Three models to start with

These models are available to quote. Select one for details and an inquiry form.

TV-14
Drawer and shelf TV unit

SC-03
Flip-down shoe cabinet

DK-10
Desk with hutch

TV-14, SC-03 and DK-10 use particleboard or MDF with a melamine finish as their reference specification. Board thickness and colour are confirmed for each order.

For other models, send the code and quantity to check availability and finish options.

Request a quotation

Send us your shortlist so we can check availability, confirm each configuration and prepare a quotation for your order.

Models and quantities

List the catalogue code and number of sets for each model. For mixed orders, include any colour or finish split.

Configuration

Tell us your target size, finish and hardware requirements. Ask for drawings or a sample when you need to check fit or construction.

Destination and packing

Include the destination country or port and any delivery limits. For freight estimates, request carton count per set, outer carton dimensions and gross weight by carton.
